The SENTINEL in its issue last week Frame and Rostock's encounter and wanted by the law for stealing various property from some of our citizens -Oats that have been threshed have week, and on Thursday evening Sheriff men abswering the description of these desperadoes were seen in the bottom southeast of Corning and northeast of and the Sheriff wired back for further description, doubting exceedingly that these parties could be the same who did the shooting at the Nodaway bridge. On Friday, Sheriff Denny received the following letter from Justice Smith of

> CORNING, Mo., July 29, 1887. H. E. DENNY, OREGON, Mo .- DEAR SIRtabt, but did not go out, as I could not leave or account of my daughter being very sick; could not get sayone to go after them. They came as far as the Tarkie, two miles east of here, yeserday morning at daylight, and stayed there until about sundown, and then moved east. can't say how far. The constable, Mr. Brownfrom him this morning. Telegraphed Wilson of Craig, at 6 o'clock last evening to organize a posse and meet Browning at Guilliams' mill or Tarkio as soon as he could, but have not heard a word as yet. They had one lame horse, and They had a gray horse, a dun horse and a little duded place, and were discovered by parties to Adkins' house and begged something to eat, claiming that one of their crowd had stolen one of the best horses they had and \$50 in mone and skipped, and that they were laying the watching for him to pass so they could nab him they can be yet, and I would advise you to saw the same parties about a week ago and

Upon receipt of this letter, Sheriff Denny went immediately to Forest City, and while in waiting at this place wired watch for these men. He also telegraphed Howell Caton at Craig, to meet him on the arrival of the Tarkio train, and on the arrival there was met by Caton and the two proceeded to Corning and a with two other men secured the hand car and proceeded to Phelps, and guards were placed on the various roadways that was thought likely to be

travelled by the gang. In compliance with the instructions St. Joseph, were smong the visitors to contained in the letter, A. B. Wilson accompanied by Wm. and G. G Bostto go with them to the home of Vol. assuming a violent character, it was to go with them to the home of Vol. deemed best by his friends to place Meyers, a cousin of the desperadoes, teers could be secured here, for the Moss was visiting our city the guest of character of the men were fully known risk they were running, in four men endeavoring to capture so desperate a gang.
